

How To Activate Your Service

To activate this **Digital Starter** service you will need to set up your Comcast account, and order the equipment included with your service. You can call us at **1-800-XFINITY** to set-up your account and to request an easy-to-use self install kit. Or, you can visit an XFINITY store near you. For store locations, visit www.comcast.com

When setting up your account, you will be asked to provide one or more of the items listed below.

- Social Security Number
- Personal Identification Number (PIN)
- Account number
- Address and phone number
- Driver's License number

If you are unable to provide this information, you may be asked for alternate documentation to help us establish your identity. This may require you to come into our office in order to complete your account set-up.

Questions About Your Account?

Should you have questions about your account, you can call us at 1-800-XFINITY to speak with a Customer Care Representative. Our technical support is available 24/7. Please have ready when you call, the account number, address and phone number associated with your account.

About Your Equipment

Included with your service, you'll receive **up to two digital adapters** and **one standard definition digital converter**.

- A digital adapter is a smaller device that gives you access to 100+ digital channels.
- Your digital converter gives you access to these channels plus additional features such as XFINITY On Demand™, Parental Controls, and the Interactive Program Guide.
- Additional digital adapters are available for \$1.99 per month each, and additional standard definition digital converters are \$9.25 each per month.

Additional Outlet Service

If you would like to activate your additional cable outlets, we have the following options available to you:

- **Digital Converter Additional Outlet Service:** Gives you access to all of your digital channels plus XFINITY On Demand™, Parental Controls and the Interactive Program Guide. This service is \$9.25 per month per additional outlet, and includes one digital converter per outlet.
- **Digital Adapter Additional Outlet Service:** Gives you access to all of your digital channels. This service is \$1.99 per month per additional outlet, and includes one digital adapter per outlet.

Additional Services Available

If you are interested in upgrading your XFINITY TV service or adding additional services, please call us at 1-800-XFINITY. Some of the additional services we offer include:

XFINITY™ TV Player app: Download shows & movies from Showtime, Starz, Encore and Movieplex to your Apple® or Android™ tablet or smartphone, and watch them anytime, anywhere – even when you're offline.

XFINITY Streampix®: Instantly watch hit movies and past seasons of your favorite shows on your TV, PC, tablet or smartphone.

HD: The best HD experience with stunning picture quality and the most HD choices.

HD Digital Video Recorder: Record your favorite shows in HD. Plus pause, fast-forward or rewind live TV.

Additional Channels like our Digital Preferred service, Sports Entertainment Package, or Spanish and International Channels.

XFINITY Internet: XFINITY delivers the fastest Internet and now the fastest in-home Wi-Fi.

XFINITY Voice: Reliable phone service with the best call clarity, and unlimited nationwide talk and text so you can save on your wireless bill.

XFINITY Home: Help ensure the safety of your home and family with 24/7 professional monitoring
